

Publishing activity and printing Books and brochures in 2009

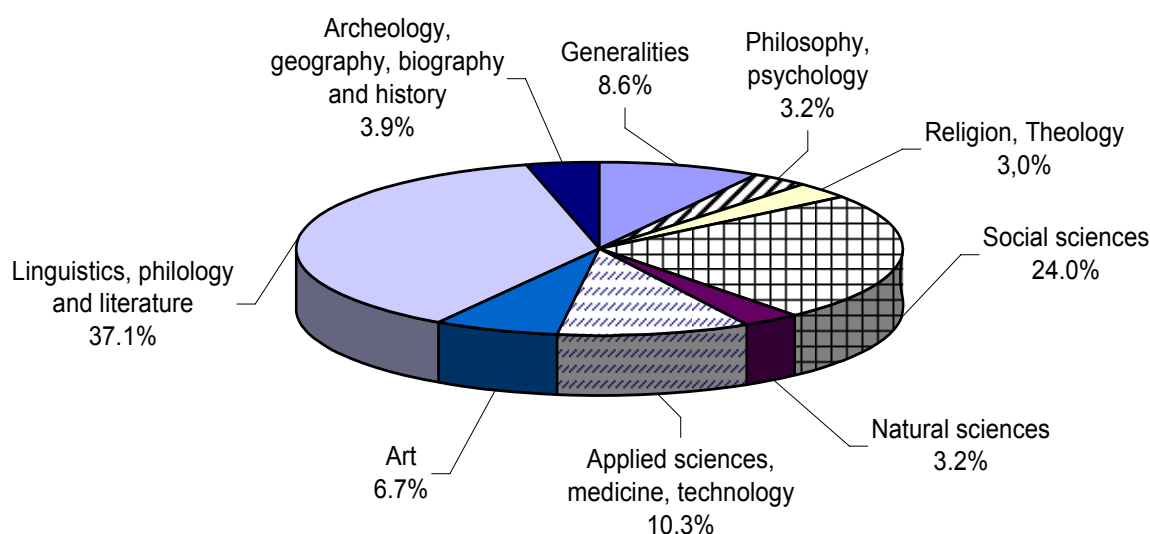

This communication presents the data on publishing activity and printing in 2009, which relate to the territory of the Republic of Serbia and are the result of the regular annual survey "Annual statistical journal of books and brochures".

Total number of books includes all books and brochures printed in the Republic of Serbia and among the publishers are also those from abroad.

This survey aims at collecting the data on publishing of non-periodicals in our country and making them available for public use, according to the most important bibliographic features that enable analyzing of phenomena and trends within publishing activity and printing.

The data have been taken from the electronic catalogue of the National Bank of Serbia COBISSNBS, with the assistance of the National Bank of Serbia. Data on 2009 refer to the bibliographical records, classified as current bibliography of Serbia related to books and brochures (monographs).
