KOSOVO AND METOHIA

¹⁾ Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohia and therefore these data are not included in the coverage for the Republic of Serbia (total).

Methodological explanations:

A "reported juvenile person" is taken to be a juvenile against whom criminal proceedings on the grounds of a crime report have not been initiated (crime report rejected), against whom preparatory proceedings are suspended or the charge motion has been submitted to a juvenile court for pronouncing sentence or measure.

An "accused juvenile person" is considered to be a juvenile against whom a charge motion has been submitted to a juvenile court for pronouncing sentence, i.e. educational measure, so the proceedings were terminated by a finally binding judgment by which: proceeding was suspended, security measures without imposing criminal law sanctions were pronounced or juvenile imprisonment or educational measure were pronounced.

A "convicted juvenile person" is a juvenile perpetrator of criminal offence against whom a criminal law sanction – juvenile imprisonment or educational measure has been passed.

Notes:

In 2009, against juvenile perpetrators of criminal offences, the following educational measures were pronounced: public prosecutor for juveniles pronounced educational measures in 72 cases and in 38 cases it was the juvenile court judge (article 7 of the Law on minor perpetrators of criminal offences and criminal-legal protection of minors).
