## METHODOLOGICAL EXPLANATIONS

Data on employees in legal entities (companies, enterprises, cooperatives, institutions and other organizations) are obtained on the basis of regular Semi-annual survey on employees and their salaries and wages(RAD-1/P) and Survey on additional semi-annual report on employees and their salaries and wages that provided data on number of employees in small enterprises (up to 50 employees) that are not covered by regular semi-annual survey. This Survey does not cover employees in the Ministry of Defense and Ministry of Interior.

Data on entrepreneurs (persons individually running business) and on their employees are provided by regular semi-annual report (RAD-15), from the Republic Fond for Health Insurance.

Presentation of the data by activities is done in accordance with the Regulation on Classification of Activities („Official Gazette of RS“, No. 54/10), while territorial distribution was performed according to the Regulation on Nomenclature of Statistical Territorial Units („Official Gazette of RS“, No. 109/09 and 46/10).

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohia and therefore these data are not included in the coverage for the Republic of Serbia (total).
