Note: Data are given according to Classification of Activities (2010), by sections and divisions. Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to Kosovo and Metohia and therefore these data are not included in the coverage for the Republic of Serbia (total).

Methodological explanations

Indices of producers' prices of industrial products – total, have been calculated since 2010. These indices are calculated on the basis of data that are collected for the producers' prices of industrial products for domestic market and for the producers' prices of industrial products for exports.
