Publishing activity and printing in the Republic of Serbia - Books and brochures in 2011 -

This communication presents the data on publishing activity and printing in 2011, which relate to the territory of the Republic of Serbia and are the result of the regular annual survey "Annual statistical journal of books and brochures".

Total number of books includes all books and brochures printed in the Republic of Serbia and among the publishers are also those from abroad.

This survey aims at collecting the data on publishing of non-periodicals in our country and making them available for public use, according to the most important bibliographic features that enable analyzing of phenomena and trends within publishing activity and printing.

The data have been taken from the electronic catalogue of the National Bank of Serbia COBISSNBS, with the assistance of the National Library of Serbia. Data on 2011 refer to the bibliographical records, classified as current bibliography of Serbia related to books and brochures (monographs).

Universal Decimal Classification (UDC) is an international classification applied for identifying contents of the materials and classifying them into appropriate scientific groups.
