### Methodological explanations

The data in this statistical release are obtained from Monthly statistical survey on employees and their salaries and wages (RAD-1) and from Ministry of Finance (Tax Administration).

The data regarding salaries and wages of the employed in legal entities of all types of ownership are collected by statistical survey RAD-1, while the data referring to salaries and wages of the entrepreneurs' employees are taken from the records of Tax Administration, and since 2009 have been taken into account in the calculation of average salaries and wages.

The salaries and wages are defined pursuant to the Law on Labour ("Official Journal of the Republic of Serbia", No. 24/2005, 61/2005 and 75/2014).

This statistical release presents salaries and wages paid in the month, regardless of the referent period. The data show the average salaries and wages paid by place of work, not by place of residence of employees.

Territorial distribution was based on the Regulation on Nomenclature of Statistical Territorial Units ("Official Gazette of RS, No. 109/09 and 46/10).

Data by municipalities are published according to the list of municipalities and settlements the as of 01 January 2015.

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohia and therefore these data are not included in the coverage for the Republic of Serbia (total).

**Note:** Data on average salaries and wages by CA divisions (2010) for AP Vojvodina as well as those on average salaries and wages by CA sections (2010) for regions are available on the following web page:
