## Juvenile perpetrators of criminal offences, 2017

In this statistical release, the Statistical Office of the Republic of Serbia publishes the basic data on criminal offences of juvenile perpetrators in 2017: reported, charged and convicted minors by sorts of criminal offences, sex, age and criminal sanctions. Data are collected in regular statistical surveys based on individual questionnaires completed by the competent Senior Public Prosecutor's Offices and Courts. Aiming at complete coverage of the phenomena, presented are the main indicators for the period 2013-2017.

Observation unit is the juvenile perpetrator of criminal offence (minor), who committed the criminal offence as: perpetrator, co-perpetrator, agitator or assistant.

Juvenile perpetrators of criminal offences are the persons who at the moment of criminal offence committal were 14 and not yet 18 years old.

A "reported juvenile person" is taken to be a juvenile against whom criminal proceedings on the grounds of a crime report have not been initiated (crime report rejected), against whom preparatory proceedings are suspended or the charge motion has been submitted to a juvenile court for pronouncing sentence or measure.

An "accused juvenile person" is considered to be a juvenile against whom a charge motion has been submitted to a juvenile court for pronouncing sentence, i.e. educational measure, so the proceedings were terminated by a finally binding judgment by which: proceeding was suspended, security measures without imposing criminal law sanctions were pronounced or juvenile imprisonment or educational measure were pronounced.

A "convicted juvenile person" is a juvenile perpetrator of criminal offence against whom a criminal law sanction – juvenile imprisonment or educational measure has been passed.

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohija and therefore these data are not included in the coverage for the Republic of Serbia (total).

In 2017, against juvenile perpetrators of criminal offences, the following educational measures were pronounced: public prosecutor for juveniles pronounced educational measures in 330 cases and in 68 cases it was the juvenile court judge (article 7 of the Law on juvenile perpetrators of criminal offences and criminal-legal protection of minors).
