Municipality

This sheet is to be filled in only by the schools where instructions are provided in any of the languages or alphabets of ethnic minorities, whether in the entire school or in some classrooms. **A separate sheet is to be filled in if instructions are dispensed in several languages.** If the instructions are provided in any language or alphabet of ethnic minorities in the entire school, the data indicated in this sheet will be considered equal to those provided in the main questionnaire (ŠS/K). If the instructions are provided in Serbian, and only in some classes in any language and alphabet of ethnic minorities, this sheet is to be filled in only for those classes, and all the data on classes where the instructions are provided in languages of ethnic minorities must be included and presented in the main questionnaire.

**22. Language of the instructions dispensed (circle one answer)**

- |                         |                    |                      |
|-------------------------|--------------------|----------------------|
| 02 - Albanian           | 08 - Macedonian    | 14 - Slovak          |
