Methodological notes

Data for 2018 are estimated on the basis of preliminary results of the Survey on agricultural holdings' structure, available results of other statistical surveys referring to agriculture and administrative sources.

Territorial distribution was done in compliance with the Regulation on the Nomenclature of Statistical Territorial Units („Official Gazette of RS“, No 109/09 and 46/10).

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohija and therefore these data are not included in the coverage for the Republic of Serbia (total).
