#### Methodological notes

Data on the border traffic of passenger motor vehicles and passengers are taken over from the Ministry of Finance - Customs Administration.

Data on the number of passenger motor vehicles and passengers entering or leaving the Republic of Serbia, by countries of vehicles registration, as well as passenger motor vehicles traffic at border crossings are presented. Data on passenger motor vehicle traffic do not include local border traffic.

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohija and therefore these data are not included in the coverage for the Republic of Serbia (total).
