### Methodological explanations

**Adult perpetrator of criminal offences** is a person who was 18 years old at the moment of criminal offence committal, and who committed the criminal offences as: perpetrator, co-perpetrator, instigator or accessory.

A **“reported person”** is taken to be an adult perpetrator of criminal offence against whom the proceedings by crime report and preliminary proceeding have been terminated by a decision, by which: a charge has been rejected, investigation interrupted/suspended or a charge sheet raised - summary charge sheet submitted.

An **“accused person”** is considered to be an adult against whom an indictment, charge sheet or private charge has been submitted to a court; against whom criminal proceedings terminated by a finally binding court decision, by which: charge sheet, i.e. private charge has been rejected, proceedings suspended or charge rejected (when examining indictment); charge denied, proceedings suspended, pronounced refuted or acquitted judgement, security measure passed to a non accountable perpetrator, without pronouncing sentence or the accused was pronounced guilty – convicted.

**“Sentenced person”** is an adult pronounced guilty, upon whom the sanctions have been imposed.
