Data on first time registered road motor vehicles and trailers and road traffic accidents are taken over from the Ministry of the Interior.

According to the Law on Road Traffic Safety (Official Gazette of RS 23/2019, Article 7), the term settlement means a built, functionally integrated space, which is intended for the life and work of residents and whose boundaries are marked with an appropriate traffic sign.

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohija and therefore these data are not included in the coverage for the Republic of Serbia (total).
