Methodological notes

Data on the Border traffic of passenger motor vehicles and passengers are taken over from the Ministry of Finance - Customs Administration.

Presented are the data on the number of passenger motor vehicles and passengers entering i.e. leaving the Republic of Serbia, by countries of vehicle registration, as well as the traffic of passenger motor vehicles at border crossings. Data on traffic of passenger motor vehicles do not involve local border traffic.

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohija and therefore these data are not included in the coverage for the Republic of Serbia (total).
