Methodological explanations

Adult perpetrator of criminal offences is the person who at the moment of criminal offence committal was 18 years old and over and who committed the criminal offence as: perpetrator, co-perpetrator, agitator or assistant.

A **“reported person”** is taken to be an adult perpetrator of criminal offence against whom the proceedings by crime report and preliminary proceeding have been terminated by a decision, by which: a charge has been rejected, investigation interrupted/ suspended, or a charge sheet submitted.

An **“accused person”** is considered to be an adult against whom an indictment, charge sheet or private suit has been submitted to a court; against whom criminal proceedings terminated by a finally binding court decision, by which: charge sheet, i.e. Private suit has been rejected/ denied, proceedings suspended or charge rejected (when examining indictment); charge denied, proceedings suspended, pronounced refuted or acquitted judgement, security measure passed to a mentally incapacitated perpetrator, without stating sentence or the accused was pronounced guilty – convicted.

“Sentenced person” is an adult pronounced guilty, upon whom the sanctions have been imposed.

Starting from 1999 the Statistical Office of the Republic of Serbia has not at disposal and may not provide available certain data relative to AP Kosovo and Metohija and therefore these data are not included in the coverage for the Republic of Serbia (total).
